IMPORTANT: Though the MAGNATRAC MH8000 is offered completely assembled, it's still the customer's responsibility to provide competent service ability! The servicing can be provided either by the mechanically inclined customer, or by a local mechanic. All smaller attachments & accessories are shipped in an easy-to-assemble "semi-kit" form for lowest cost shipping. Loaders, six way blades, backhoes, and rear hitch attachments are shipped as assembled attachments., some attachments may be on separate skids. We provide manuals & illustrations for complete service and repair so that anyone with reasonable mechanical skill can perform all required service work. Check the MAGNATRAC SPECIFICATION SHEET for a list of all standard features. *To be eligible for our free loader or six way blade, you must purchase a HL950, HL975 Loader or SWB54 Six Way Blade package. Only 1 free loader or 1 free six way blade per each MH8000 purchased.
