The servicing can be provided either by the mechanically inclined customer, or by a local mechanic. All smaller attachments & accessories are shipped in an easy-to-assemble "semi-kit" form for lowest cost shipping. Loaders, six way blades, backhoes, and rear hitch attachments are shipped as assembled attachments, some attachments may be on separate pallets. We provide manuals & illustrations for complete service and repair so that anyone with reasonable mechanical skill can perform all required service work. Check the MAGNATRAC SPECIFICATION SHEET for a list of all standard features. *To be eligible for our 1/2 PRICE loader or six way blade, you must purchase a HL900 Loader or SWB54 Six Way Blade package. Only one 1/2 PRICE loader or one 1/2 PRICE six way blade per each MH4900 purchased.
