

# MAGNATRAC® EXTENDED WARRANTIES\*

## Peace of Mind for You, Protection for Your Machine

The regular Limited Warranty that comes standard with your MAGNATRAC® covers defects in materials and workmanship for your first 2 years of ownership. But now, with our Extended Warranties, you can protect your MAGNATRAC® for an additional 1-3 years of added coverage, (excluding the engine) for a total of up to 5 years! Periodic replacement of normal wear & tear items are the responsibility of the owner. Not available for the MINI-DOZER® MD196K D-I-Y Kit.

Below is a pricing breakdown for each MAGNATRAC® model:

Terms and Conditions:

\*No deductible like other tractor companies. Struck® extended warranties only apply to the original purchaser and may not be assigned or transferred to other owners. During the period of warranty, the Struck Corporation will repair or replace any parts covered by the warranty that are deemed to us to be defective in materials or craftsmanship. Periodic replacement of normal wearing parts is the responsibility of the owner, and is not covered under the standard Limited Warranty or Extended Warranties. Normal wear parts include: batteries, filters, spark plugs, drive chains or belts on the RT1150 model. Track components may be pro-rated based on soil or type of usage. Equipment must reside in North America, and Warranty parts will be shipped by the least expensive method, (UPS, USPS or Fed Ex) at no charge to the warranty holder. The warranty holder is responsible for any LTL freight transportation charges, if required. Does not cover damage from neglecting maintenance, abuse, or use that is not approved by the factory at time of purchase. Residential use only on the RT1150 & MH4900 models. Extended warranties are not available for the MINI-DOZER® MD196K, as it's a DIY Kit. The extended warranty is only available at the time of purchase, or before the MAGNATRAC® would be shipped or picked up from our factory in Cedarburg, WI.
